

## NORTH SPOKANE CORRIDOR ACCESS POINTS

The north half (5.7 miles) of the NSC is fully complete and open to traffic.

**WANDERMERE INTERCHANGE-**  
Southbound US 395 traffic can enter the southbound NSC. Northbound NSC traffic flows onto northbound US 395.

**US 2 INTERCHANGE-**  
Southbound US 2 traffic can enter the southbound NSC. Northbound NSC traffic can access northbound US 2.

**FARWELL ROAD INTERCHANGE-**  
Full interchange with northbound and southbound on and off ramps to the NSC from Farwell Road. Located about 1/4 mile east of US 2.

**PARKSMITH DRIVE INTERCHANGE-** Full interchange with northbound and southbound on and off ramps to the NSC. Just west of Market Street in the Mead community.

**NSC SECTION OPEN TO TRAFFIC**

**FRANCIS/FREYA INTERCHANGE-** Access to the northbound NSC from Freya Street, about 1/2 mile north of Francis Ave. The southbound NSC ends at Freya Street. Follow Freya south to Francis then follow Market Street to I-90.

**I-90/SR 290 INTERCHANGE (Exit 282)-**  
Turn right on SR 290/Trent Ave. Travel east for about 1- 1/2 miles. Turn left/north on Freya/Greene/Market to Francis Ave. (about 4 miles), then right on Francis followed by a left on Freya to the NSC.

**I-90/FREYA INTERCHANGE (Exit 283B/284)-**  
After exiting I-90, turn north on Freya. Follow Freya/Greene/Market to Francis Ave. (about 5 miles). Turn right at Francis, then left on Freya to the NSC.
